### In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga. "I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings. "I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded

to try Cardui.
"Since taking Cardui, I am so much better and can do all my housework."

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out. Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength

and keep you in tip top condition. In this way your troubles, whatever they are, will gradually grow smaller instead of larger—you will be on the up-grade instead of the down—and by and bye you will arrive at the north pole of perfect health. Get a bottle at your druggists' today.

DYNAMITES GIRL'S HOUSE.

Aiter holding the town of Northport, Wash., in panic for three hours Friday, dynamiting the home of the girl with whom he was infatuated and killing the town marshal who sought to arrest him, Martin Kloose ended his own life with a bullet when hope of escape

Kicose, who was 47 years old, went an attachment. Being repulsed, he ignited a charge of dynamite under the building and ran the mother, daughter and invalid son out of the house when the blast failed to injure them.

The townspeople gathered to the home of Mrs. Jellisson, for whose

sued him to his own house. He barricaded the doors. John Dietrick broke in and was killed, Kloose fired again, ending his own life.

CHARGES WIFE WITH ASSAULT. Former Representative McGavin appeared before Judge Petit in the circuit court in Chicago on Friday and testified in his suit for divorce against his wife, Mabel McGavin, who, before her marriage, was Miss Mabel Talty, of Washington. In answer to questions put by his attorney, Mr. McGavin said:

"She jumped on me and scratched my face all up when I was in bed." "When was this?" interposed the at-

"Well, let me see. About January 20, 1910. In the latter part of the same month she attempted to shoot me, but the revolver was taken away from

Mr. McGavin's testimony was short, as was that of his sister, Mrs. Margaret Dayton, and Julia Bell, formerly Mrs. McGavin's colored maid, who substantiated the allegations of cruelty.
